THE MESSY HOLINESS OF UNCERTAINTY

1. What if I really don't know exactly who I am RIGHT NOW?

2. What if I really don't need to know my exact purpose in life RIGHT NOW?

3. What if I really don't need to define exactly what I want in life RIGHT NOW?

4. What if I really don't need to know exactly what's going to happen next in my life?

5. I wonder if I could relax into not knowing and just EXPERIENCE my life for a while?
